Event Standard T's and C's:

I understand and acknowledge that by entering my child into this event I agree to abide by the organiser's Terms and Conditions of Entry in their entirety, as presented to and agreed by me at the time of booking. A copy is available to view at registration.

Water, Mud other Substances and Hygiene:

I understand that this event features the use of water and mud and other natural and non-natural substances at some of the Obstacles. I understand that, whilst the organisers have taken precautions to check water quality pre-event, the quality of static bodies of water can never be guaranteed. Likewise, the organisers cannot guarantee that mud and/ or other substances used in this event will not harbour some levels of naturally occurring bacteria, which could lead to illness if ingested. I understand that I should cover any open wounds my child may have prior to taking part in the event. I will ensure my child properly cleans their hands straight after the event.

Minor Injuries

I understand that, whilst every care is taken to ensure the safety of your child, due to the challenging nature of the Shark Life course, it is possible that your child may suffer some minor bumps, bruises or abrasions by taking part. Should your child require medical attention after the event please take them to the Registration area for first aid.

Expected Behaviour – please read this with your child

I will ensure my child behaves appropriately at all times when on the course. This means: 1. Looking out for the other Sharks and making sure I don't hurt them or get in their way. 2. Listening to and following any instructions given by a course marshall. 3. Trying really hard to complete all the obstacles and not to be upset if I can't. However I will try my best as I am a SHARK!

Footwear and Clothing

I will ensure my child is wearing footwear and clothing appropriate for the activity. I accept that due to the nature of the event that this footwear and clothing will very likely get wet and muddy and may get damaged for which the organisers accept no responsibility. I will ensure all pockets are empty, shoe laces are securely fastened and there are no lanyards or similar items around my child's neck or elsewhere that could hinder progress around the course.

Photography and Film:

I understand that under the Event Terms and Conditions, I have consented to my likeness and the likeness of my child being used for the transmission of film and/ or photography by the organisers and/ or their agents, including for the purposes of the transmission of footage on Social Media. I agree that all photography or film that I capture of the event will be for personal use only.
